

Dear Third Grade Students and Parents-

We wanted to inform you of the birthday policies for Third Grade right away, as some of your kids are celebrating their “special day” soon! With two teachers and two classrooms it can get confusing...so here are the guidelines:

- **Birthday books, posters, or games will help us celebrate each child in their homeroom classroom.**
- **In an effort to keep costs down AND kids safe/healthy - NO food items, small gifts or birthday party/treat bags are allowed. These items will be sent back home if brought to school.**

If you have any questions or concerns, please feel free to contact your child’s homeroom teacher.

**Sincerely,
Your 3rd Grade Teachers**
